HILLSIDE DANCE COLLECTIVE

LEARN - EXPLORE - PERFORM

An after-school dance program

EXCLUSIVE ENRICHMENT FOR HILLSIDE HUSKIES

Hillside Dance Collective gives students the opportunity to experience the **art, movement and expression of dance** in a fun and supportive after-school setting.

No previous dance experience is necessary!

Over this eight-week session we will learn...

- **Three Distinct Styles**: Learn fundamental movement and short routines in jazz, contemporary, and hip-hop.
- **Core Skill Building**: Develop technique, dance vocabulary, musicality, and performance confidence.
- **Choreography Experience**: Follow the creative process from first steps to finished combinations.
- **Live Showcase Finale**: On our last class, we will celebrate by performing the short routines we worked so hard on for our family and friends!

It is the perfect all-in-one introduction to dance, designed to build confidence, creativity, and stage presence.
